SRRC Volunteer Program

SRRC is known throughout Central Pennsylvania for its active parental volunteer program; establishing a healthy and successful race atmosphere for all racers. Therefore, in order to offer your racer the best support for his/her efforts, the SRRC Board takes a “zero tolerance” stand of any parent who is unwilling to participate throughout the season in the SRRC volunteer program. If volunteer slots need filled, an SSRC member will contact you to solicit your assistance to fulfill your requirements. By volunteering, you enrich the lives of not only your child, but all the racers in the club. We are continuing the volunteer points system this year. **Each family must earn a minimum of four (4) volunteer credits by working at least (1) PARA race, (1) Saturday Morning race and one (1) other event of your choice.**

This year’s volunteer assignments will be available through the website, www.timetosignup.com/srrcorg. Watch the website and your email for updates.
